EUPHORIA
Sparkling Verdelho | 2026

RRP $29

Alc | 13.5% Sugar | 7.9g/L pH | 3.30 Single Vineyard

THE STORY

Euphoria represents Sarah's zest for life. A feeling of well-being and intense excitement, Euphoria was created to celebrate little moments to milestones, and everything in between.

TASTING NOTES

Uplifting citrus aromas meet fresh apple and stone fruit flavours, with crisp, zesty acidity dancing among fine bubbles to enliven the palate. This is everything a sparkling should be...fresh, vibrant and wonderfully uncomplicated.

VINTAGE DETAIL

Vintage 2026 fruit intake was less than half of the previous year due to ongoing market impacts across the wine industry.
Following an early 2025 vintage, dormancy broke in early August. Shiraz and Merlot led early development while Cabernet and Durif lagged. A wet, cloudy spring caused uneven fruit set, compounded by 93 mm of November rainfall during flowering — nearly three times the previous year — extending the flowering period and increasing block variability.
Heat events in early January reached 44°C, with further heat around veraison in late January causing sunburn and berry damage, particularly in Durif. Pre-emptive irrigation helped vines navigate this critical period.
Despite disease-favourable conditions, mildew pressure remained low thanks to timely fungicide programs.
Steady, gradual ripening supported harvest operations. Harvest commenced with Chardonnay on 10 February 2026, continued through late March, and wrap-up was completed by late April.
